1- About Booking CW

About Booking CW

Booking CW is the one stop that will facilitate City Edge homeowners life, it is a global search engine website that offers many different services. For example if you want to travel with your family or friends, Booking CW allows you to book everything related to your trip starting from your visa to the activities you'll do on your trip or one of their travel agents could plan your trip and make sure you make the most out of this experience. Booking CW is also a ticketing website for major events such as football matches, museums, and concerts all over the world. Booking CW offers many other services and makes sure City Edge customers get the best rates and book their trips or activities in the shortest amount of time.

CITY EDGE

2- Services offered

A- Travel Services

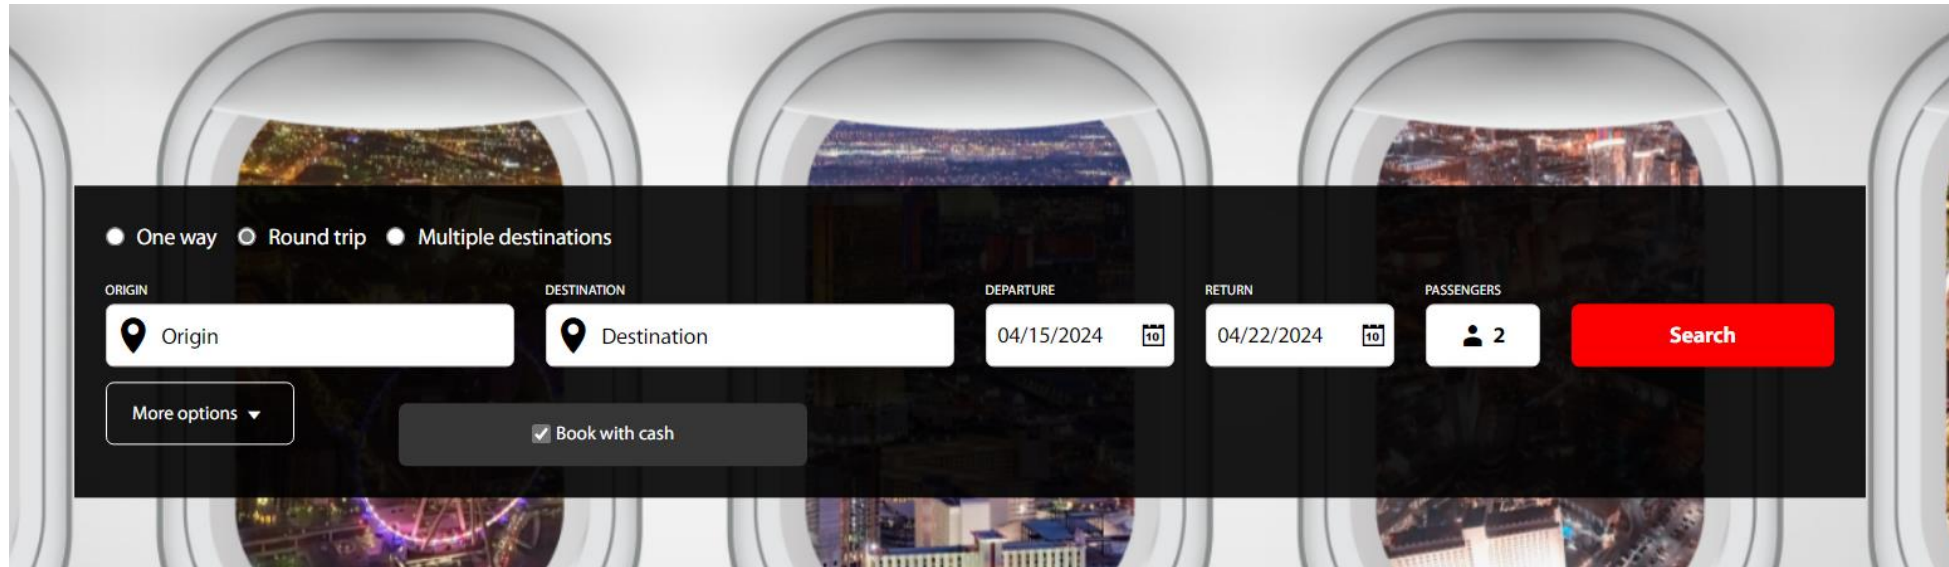

Booking CW aims to provide our customers with an experience they will never forget. By having partnerships with world class hotels and airline companies they ensure our customers the best services that will ease their lives.

- Enjoy the use of airport lounges
- The best rates with our partner airline companies
- Hotel upgrades
- International car service
- Access to the finest restaurants, activities, and world class events such as The Monaco Grand Prix to Cannes Film Festival.

Booking CW provides each customer with a personalized experience by offering them one of the travel packages, tours, or planning the trip starting from providing assistance with the visa process to making sure they get home safely with **a free of charge registration by just adding “CED” within the remarks** on Booking CW website.
