3. **Flight Changes and Upgrades:** If you need to make changes to your flight itinerary or upgrade to a different class, we can handle the process for you.
4. **Flight Information:** We can provide information about flight schedules, airlines, airports, and travel restrictions to help you plan your journey effectively.
5. **Special Requests:** Whether you have dietary preferences, require special assistance, or have specific requests, we can liaise with airlines to ensure your needs are met.
6. **Travel Documentation:** We can provide guidance on visa requirements, passport validity, and other travel documentation needed for your trip.
7. **Emergency Assistance:** If you encounter any issues or emergencies during your travels, our team is available to provide assistance and support.

Overall, our air travel ticketing assistance services aim to make your journey as smooth and hassle-free as possible.

Event Management

Award winning event management in London and Worldwide

Private Events - whether it's a lavish party in a marquee in your garden or an 18th birthday in one of London's most exclusive venues, a wedding reception, baby shower or bar mitzvah, we will ensure you have long-lasting memories.

We have transformed gardens into circus', clubs into pirate ships, and meadows into outdoor cinemas. Plus we have hosted intimate events such as wedding proposals or dinners under the stars with celebrity chefs. Your only limit is your imagination.

Corporate Events - whether it's a company Christmas Party or an intimate event to host your top clients, Bookingcw Events have it covered.

Working with thousands of partners; we are a one-stop shop for all your eventing needs from sourcing venues and entertainment to arranging bespoke menus from celebrity chefs, managing invites and guestlists to running the day itself.

Education

For over 4 years we have been delivering the highest calibre of specialist assessments, independent education consultancy and supplementary education management.

We are extremely privileged to work in close association with leading worldwide independent schools, as well as foremost international universities.

- Carefully considered advice - Our range of advisory and management services includes independent schools, university, private tuition management, specialist mentor management and selected recommendations for affiliated services.
- Tuition Management - We pride ourselves on our unique education management offering, which encompasses all aspects of their education, be it formal schooling, private tuition, mentoring and special educational needs support.
